### Chapter Chairman's Address

The last 24 months as chapter chairman have flown by, with yet another successful 2 years behind us. During the past 24 months we have successfully interviewed candidates from far and wide, feedback on the interview process from both the candidates and head office has been very positive, a big thanks to all concerned.

The benefit of having such a successful interview process is borne out by the number of candidates that were examined by the chapter and who are now attending regular chapter meetings.

With the increased number of members now attending chapter meetings I hope we will be able to increase both the number and type of CPD seminars. I would appreciate suggestions from members on the type of seminars they would like to have arranged.

Once again I would like to thank all the members of the South Wales chapter for their support in the last 24 months and their continued support in the future.

Tony Wadden - Past Chapter Chairman

At the South Wales Chapter AGM on the 6th December 2013, the Chapter was attended by the President Mr David Gray, photographs were posted in the January site recorder and on the ICWCI website.
