

Deeside Chapter of the Institute of Clerk of Works & Construction Inspectorate

Hon Secretary Peter Smyth MICWCI
Newsletter Editor in Chief W Higgins FICWCI

October 2018 Newsletter

Well you lot out there, the weather is still playing us up, with floods in Wales and fallen trees all over the place but that's no excuse for not attending our next meeting night! There was a nice photo of our AGM dinner in this months "Site Recorder" and it will prove to other chapters what a Posh Lot the Deeside Chapter are?

Could there be two P Smyth living in Runcorn? Or could it be that it is our Peter that has applied to become "A Fellow" of our Institute ? If so, when you write your letter of objection, PLEASE don't use any naughty words in it!!!

I found the article "Cable systems and support" by Spencer Henry MICWCI which appeared in the latest issue of the Site Recorder, to be most interesting, but hopefully a lot of it would be common sense.

Please inform your Better Half's that the AGM of Cheshire and District Witches will be held at The Black Cat, Nantwitch, on 31st October 2018, starting at 9-00pm with a presentation on how to "Use your Coldrum to produce the perfect Special Brew" and tell them not to leave their Broomsticks in the Car Park but to take them indoors with them, Black Cats will be very welcome, BUT no dogs allowed, further information can be had from The Chief Witch Mrs B A Higgins FIOGW, at the above address.

Have a spooky Halloween

This Newsletter is not an official publication from the ICW&CI, Indeed not, it is just the ramblings of a Demented Plumber, who's only sin was to, use his wife's broomstick to brush the front path with it!!!

AGENDA

- Item 1..Chairman's Opening Remarks.
