IN THE NEWS

Well not quite not in the news, more so in the ICWCI Journal – A Pleasure to see Stan Ramos and Tony Shipley being plastered over the magazine for their achievements. Stan Ramos receiving his past chairman's tie and Tony Shipley receiving his FICWCI. Well done to the pair who continue take positions within the chapter year after year.

TUNNELS UPDATE

The visit to the Williamsons tunnels has been a bit of a challenge to organise this time round, a good handful of people have showed an interest with most of those confirmed attendees. Although, I know some have shown interest within the chapter meeting and have not as yet confirmed so I have discussed with the Lecture Secretary delaying the visit to the new year. I appreciate those that are confirmed and eager to descend into the labyrinth will be a little frustrated. I know that the lecture Secretary The right Ole Honourable Fellow, Tony Shipley would be keen to attend in the month of January. So, with that said, I am going to propose the second week in January, January 13th. This I hope allows others who wish to attend time to organise for the visit.

CPD – LECTURE SECRETARY'S REPORT

Lecture secretary Tony Shipley reports that there is no CPD this month

If you wish to complete CPD modules online – Building.co.uk offer free CPD modules which issue CPD certification on completion. If you have a look around there are also some good webinars available at no cost and most allow you to print of a CPD certificate on completion.

DECEMBER CHAPTER MEETING

As is the norm' at Merseyside, there will be a chapter meeting on the 20th of December, however there will be no CPD organised. If you have any preference for a CPD in the new year (Tony has 3 months to get through before new blood will be required for the seat of Lecture Secretary) then please do not hesitate to put forward your suggestions. He needs to go out on a high.

With that said, it is nearly that time for some volunteers to wave their hands in the air and take up a seat in office at the Merseyside Chapter.

I for one will be ending my reign on the Hon Sec Throne next march due to family commitments, fostering. Unless something changes, I will unfortunately need to abdicate as dedicating the time at the moment is very difficult. So, if you haven't given Hon Sec a go, now's your chance too. Unless Tony wants his slippers and big stick back. ☺

COMING SOON TO A CHIMNEY NEAR YOU.

2 weeks off and a bit of R+R
