

SENTINEL

CLERK OF WORKS

An established practice offering a professional approach for today's construction industry. We have a full team of qualified and experienced Clerks of Works suitable for every aspect of the construction process.

Our style is to develop a clear and dedicated understanding of the needs of each project. We give a bespoke service which emphasises co-operation whilst ensuring the client's requirements are met in full. We have an excellent reputation and many long term clients in all sectors.

We carry professional indemnity insurance of up to £5 million.
