

**Clerk of Works Consultants**

## **KBR Construction Consultants Limited**

KBR Construction Consultants Limited is an established and unmovable presence in the construction industry, committed to providing a professional yet personal level of service on all aspects of site inspection and quality control throughout the UK.

Our continued expansion is thus a result of a well-established relationship with our client base and keeping abreast with the ever-increasing complexity and development of both traditional and contemporary construction practices.

Our areas of expertise include:

- Retirement/Care Homes.
- Student Accommodation.
- Retirement/Care Villages.
- Medical Centres & Healthcare.
